

Bernard Williamson

Bernard Williamson, a founder member of Reading CTC died whilst cycling on 19th April. Bernard had embraced all types of cycling and had moved from Woodley to Bristol a few years ago to be closer to family.

We have Bernard to thank for our popular Tuesday rides. He led members on many runs including the dawn till dusk rides in which we all clocked well over a hundred miles.

Bernard was an active campaigner in Reading Cycle Campaign and was effective in getting the A33 relief road bike paths fit for use.

I'll always remember Bernard for his youthful looks and really cheerful manner.

Our condolences go to Bernard's wife Joan and to his family.

He'll be sadly missed.

There will be a service of thanksgiving in St Peter's church, Henleaze in Bristol on Tuesday May 10th at around 12 noon.
